

Stock Mini Magnet - 1 5/8" x 3 3/4"

- DPI:** 1. Your artwork **must** be at least 300 dpi
- Bleeds:** 2. If you would like the artwork of your final product to meet the edge after trimming, **extend** your artwork to the outer edge of the **red** bleed box. Everything located in the area tinted **red** will be cut off.
- Type:** 3. Please make sure all type is inside the **blue** type boundary box (1/8" from trim line).

Remove This Layer!
